**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a complete provider because of the lack of options, service and forced offering from our two national incumbent internet providers. In addition broadband access without encumbering "bundles and services" that we personally do not need but line the pockets of GIANT national providers do NOT provide value to our local communities. Please keep "choices" available to keep these two giant over bearing entities from destroying our current choice of a competitive broadband provider.

Respectfully,

A avid user of a competitive broadband provider.
